Course Details

CAPCE is an 18-week course designed to support the development of nurses as leaders with expertise in hospice palliative care to serve as resource professionals in their facilities, agencies and communities. CAPCE graduates become members of an ever-growing number of local nursing professionals invested in the provision of high-quality, evidence-informed hospice palliative care practice.

CAPCE is a blended in-person and online course and requires learners to interact with peers and facilitators, thus they must have access to a computer (with microphone), a smartphone or a tablet.
