

Pre-requisites:

[Fundamentals](#) & [Fundamentals Enhanced](#)

Intended Audience

CAPCE is designed for **all classes of Nurses** with passion and expertise in palliative care. See [Eligibility Criteria](#)

Why CAPCE?

- Peer-reviewed, evidence-informed and up-to-date course content
- Facilitation by experienced local palliative care nurse consultants
- Successful completion of Enhanced prepares learners to meet the palliative care competencies for nurses as outlined in the [Ontario Palliative Care Competency Framework](#) and [Canadian Interdisciplinary Palliative Care Competency Framework](#).

If it has been more than five years since you last took a CAPCE course, you may consider re-taking it, due to continuous changes in hospice and palliative care.

Course Overview

This **18-week online course** is designed to support the development of nurses as leaders with expertise in hospice palliative care to serve as resource professionals in their facilities, agencies and communities. CAPCE graduates become members of an ever-growing number of local nursing professionals invested in the provision of high-quality, evidence-informed hospice palliative care practice.

Cost: \$300.00
(Course fees are non-refundable)

Course Details

Learners are required to interact with their peers and facilitators. *All course work / materials are provided online using the Brightspace Learning Environment*
