The **Comprehensive Advanced Palliative Care Education (CAPCE)** program includes up-to-date, best practice and evidence-informed palliative care knowledge, utilizing the innovative Partnering for Palliative Education learning environment, powered by D2L Brightspace.

Over 18 weeks, local palliative care nurse consultant coaches, prepare CAPCE learners to meet the palliative care competencies for nurses as outlined in the [Ontario Palliative Care Competency Framework](#) and the [Canadian Interdisciplinary Palliative Care Competency Framework](#).

Included in the CAPCE Curriculum:

- Virtual Coaching Sessions via Zoom
- Self-Directed Reading & Reflection
- Learning Goals
- Quizzes
- Discussion Boards
- Peer-to-Peer Exchanges
- Final Assignment

New to CAPCE 2024-2025

- The **Fundamentals Enhanced** program is now part of the CAPCE program
- Completion of the **Indigenous Cultural Safety Training**, through **Canadian Virtual Hospice (CVH)**, is now a required part of CAPCE. There are five modules in the series (approx. 1 hr each), and the training is free of charge. We recommend you complete this training 2-3 weeks prior to the start of CAPCE. To complete the training, create an account with [Canadian Virtual Hospice](#), log into your account, and then complete the training.
