

Fundamentals Enhanced (Online)

2023-24 Courses

Pre-requisite: [Fundamentals of HPC](#) or [equivalent](#)

Please note, Enhanced is a pre-requisite for the CAPCE Program. Not all learners will go on to take CAPCE; however, this is an opportunity to learn more about the role of the CAPCE Resource Nurse.

Intended Audience

All classes of Nurses with an interest in developing their capacity related to hospice palliative care in a clinical setting

Course Overview:

Enhanced is a 2-hour, case-based learning session, which follows the successful completion of the Fundamentals course and focuses on: **Assessment and Pharmacology**

Why Fundamentals Enhanced?

- Peer-reviewed, evidence-informed and up-to-date course content
- Facilitation by experienced local palliative care nurse consultants

Course Objectives:

- To provide support and guidance for nurses to utilize their skills and palliative knowledge more effectively
- To learn from the experiences of practiced hospice palliative care leaders in a relaxed, safe and informal learning environment
- To discuss possible future learning opportunities

Spaces fill up quickly, so register now to avoid disappointment!

Course Details

Two weeks prior to the online classroom session, learners will receive a **welcome email** containing:

- A link to a Survey Monkey questionnaire
- Reading materials
- A Zoom link for connecting to the online classroom session

Please review [Technology Requirements](#)

Cost: \$0.00
non-refundable

We are able to offer affordable, quality, and high-value palliative care courses for health care providers, in Waterloo Wellington, due to government subsidies received by our program.
